Ambassador Hadari called on Governor Williams this afternoon at Governor's request. Governor again reviewed for Ambassador U.S. concern over Soviet arms build-up in Cuba. Governor also described our concern that Soviets may attempt fly nuclear warheads to Cuba and stated our ^{hope that} ~~interest in the possibility of Soviet aircraft over-flights to such Soviet aircraft.~~ Ambassador also shown ^{latest photographic} ~~recent~~ evidence Soviet missile build-up in Cuba, which interested him very much. Ambassador Hadari said he understood U.S. point of view and would report it to his Govt.
